ABOUT EQUINOX

Equinox is an employee benefits consulting firm located in Eastern Pennsylvania. We serve employers of all sizes by helping businesses find better solutions for healthcare that make more economic sense and provide the support and education to improve plan quality and lower expenses.

UPCOMING WEBINARS

July 12th – New Healthcare Model solutions ([REGISTER HERE](#))

- Healthcare costs in this country have been skyrocketing and continue to rise every year.
- Unfortunately, we keep purchasing healthcare the exact same way
- Fortunately, there are new options
- available for businesses to control their 2nd largest expense and drive down expenses for the long term.
- Join us on June 19th

Webinar Overview

Referenced Based Pricing is the new buzzword in healthcare these days. But, what does it actually mean? Is this a viable option for employers or something they should steer clear of? Join us as we discuss what referenced based pricing solutions are and if they are viable solutions for businesses today.
